

Northern Woods & Water Highway

Western Canada's Holiday Highway
Winnipeg, Manitoba to Dawson Creek, BC

So much to see and do

Western Canada's Holiday Highway

Experience a vacation with a difference, travel the Northern Woods & Water Highway.

Any type of outdoor adventure you desire can be found along this route. Leisurely travel between the many campsites which range from primitive to fully serviced, close to the highway or far back in the bush. It will be just the medicine you need to "get away from it all".

While most of the route is paved, some gravel still exists on the Saskatchewan portion; from the Manitoba border west to near Carrot River. This portion is a prime area for encountering some of the wildlife of the region.

You will be able to partake in water sports on beaches that are spacious and uncluttered. You can fish for the elusive "big ones" in any number of the lakes and rivers along the way.

When you require something to make your trip more enjoyable, the businesses in the communities along the way will be happy to serve you and can provide almost any necessity. The friendliness of the people you meet and deal with cannot be envisioned unless you are used to traveling the rural areas. They will endear themselves

to you along with their unhurried lifestyle.

The beauty you will encounter, in the ever changing panorama of farm fields with their varied crops, the parkland region with poplar brush and meadow through to the heavier forested areas with abundant wildlife, large or small, will be remembered for a long time. Including BC, there are over 50 golf courses along the way, both 9 and 18 hole, so pack your clubs with you.

Golfing Athabasca, Alberta

Pelicans Lake Manitoba

Bring your camera and capture memories of birds and animals you seldom see in more crowded areas.

All this and more is awaiting you on your trip along the Northern Woods and Water Highway. Relax and enjoy your time on the Holiday Highway.

Ethelbert

Population is 607. Located 59 km north of Dauphin on Highway 10. Ethelbert Community Park has camping, picnic area, a playground and drinking water. There is a museum and gift shop to browse through.

Winnipegosis

Population 647. North of Dauphin on Highway 20, located on the west shore of Lake Winnipegosis. Home to an inland commercial fishery. There is a campground and beach, boat launch, sand green golf course, and museum.

Duck Mountain Provincial Park is one of the most scenic spots in Manitoba. Approached from the east they appear to be high elevation, Baldy Mountain is the highest point in Manitoba and yet from the west they are a gentle rise in the landscape. The park has a wilderness flavor with lots of lakes and few roads.

Duck Mountain Provincial Park

There are four campgrounds and several picnic areas which provide the opportunity for a true wilderness get-away.

The 73 glacial lakes provide excellent canoeing, swimming. You can find 12 species of fish in the many lakes and streams. Native species include lake trout, walleye, northern pike, perch, whitefish, and burbot. Stocked waters host brook trout, rainbow trout, brown trout, splake, smallmouth bass, and muskellunge.

The thick forest provides a good habitat for all types of wildlife,

including elk, moose, white-tailed deer, black bear, fox, lynx, coyote and timber wolf as well as the smaller animals like: woodchuck, porcupine, rabbits and squirrels.

Remember to bring your camera to capture some of the wilderness to share with your friends back home.

Swan Valley

Welcome to the Swan Valley.

Swan Valley is carved out between the Duck Mountain Provincial Park and the Porcupine Provincial Forest. Positioned at the beginning (or end depending how you view it) of Highway 83 that stretches to the southern tip of Texas, or along Highway 10 you will find a nature lovers dream.

Swan Valley is comprised of many towns, villages and rural; Swan River, Minitonas, Benito, Durban, Kenville, Cowan, Pine River, Bowsman, Birch River, Mafeking and Dawson Bay. Stop by the Tourism Centre, 1500 Main

St., Swan River for any of your travelling questions, call 204-734-3102, or visit <https://www.swanvalleychamber.com/> to check what events are taking place when you are here.

Pine River

With a population of approximately 150 this small community is located on Highway #10 halfway between Swan River and Dauphin. Known for trout fishing at it's best, try the North Pine River. It has trout that will test your skills.

Cowan

Population 375. Located at the junction of Highways #20 and #10. Cowan is called Blueberry Capital of Manitoba. It is also home to the annual Cowan Trail Ride in August every year.

Minitonas

Population 522. Hwy 366 runs through town to Duck Mountain Prov. Park. Evidence of forest industry activity is the plant that Louisiana Pacific operates east of Minitonas.

Bowsman

Population 315. Located just 13km north of Swan River on highway 10. A family friendly and picturesque town surrounded by beautiful views with the Porcupine Forest to the northwest.

Thunderhill Ski Area

Located less than 30km from the Town of Swan River is a multi season recreation area. In the summer you will experience one of the best views of the Swan Valley. It's the perfect place to watch for wildlife and experience the beauty. Tread the Thunder trails that are well marked and available to walk or bike.

Swan River

Population 4,014. Swan River and the valley in which it is located is surrounded by a series of lakes in either direction which offer great, fishing, swimming, and camping opportunities. Wildlife abounds in its natural habitat providing superb year

round photography. The Swan Valley Museum is a great place to visit and the last weekend of July is established for the Northwest Roundup rodeo event.

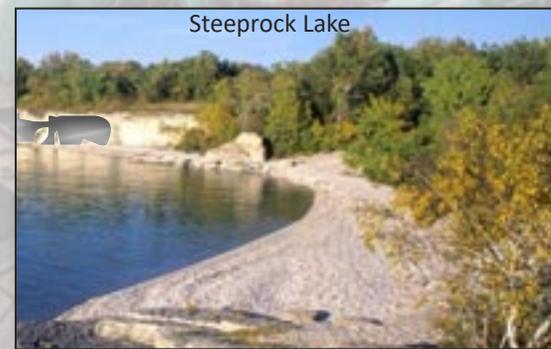

Birch River

Population 535. Tucked behind a beautiful band of evergreens this small community is located just off of highway #10. It is home to the last outdoor swimming pool within the Swan River Valley, and has been in operation for over 50 years. This community is perfectly located on the edge of the Porcupine mountains making it just minutes away from many hunting, camping and other outdoor activities, as well as lending to breathtaking views year round.

Swan River Golf and Country Club

Located 2 miles west of the Town of Swan River is a golf course ranked as one of the most scenic and well maintained courses in Manitoba. The signature hole is the third, measuring 413 yards. Water and bunkers guard the left and trees the right which makes a straight drive a must. The most challenging hole has been the par 4 fourteenth hole at 443 yards. The greens are large and receptive to the average player. The clubhouse, with a licensed restaurant and pro-shop, rental carts (pull and gas), club rentals, and beverage and snack carts make the experience enjoyable for all ages and skill levels.
www.swanrivergolf.com
(204)734-3935

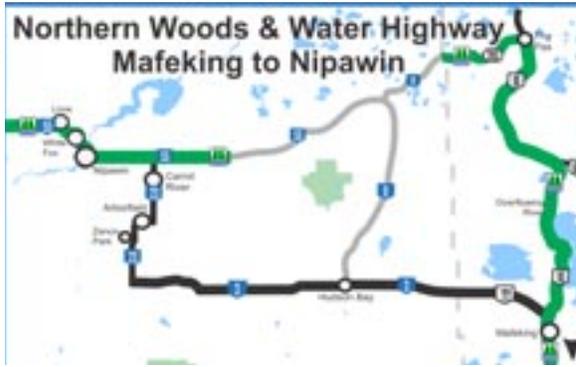

Mafeking

Mafeking is a small village nestled on the edge of the Porcupine Mountains and is an excellent location for any person who adores outdoor activities, summer and winter. Surrounding this town is a variety of lakes, rivers, trails and geocaching locations perfect for fishing, camping, biking and swimming.

Alternate Route 1

There is a section of the NW&W Highway that is not paved between The Pas and Nipawin. Choose your adventure. North of Mafeking, a shorter alternative takes you west, through the communities of Hudson Bay, Zenon Park, Arborfield, Carrot River & back to the NWW Highway at Nipawin.

Porcupine Provincial Forest

The Porcupine Provincial Forest draws many fishermen to the region for northern pike, perch, whitefish, walleye,

arctic char, rainbow and brook trout. Some fishing destinations are easy access, drive in destinations while others require a hike in.

The lakes and forests are home to various species of wildlife including moose, deer, coyote, wolves, elk, black bear, cougar and lynx. Its also a nesting, feeding and resting grounds for resident and migrating birds including waterfowl, song birds and predator birds.

The campgrounds, Whitefish Lake, Steeprock Lake and Bell Lake act as a base camp to adventures; fishing, hiking, horseback riding, mountain biking, rock climbing, bird watching, swimming, canoeing, hunting and snowmobiling.

Porcupine Provincial Forest

Porcupine Provincial Forest is a somewhat remote region located on the cusp of the Manitoba Escarpment. The

mountain forest consists of lakes, rivers, wetlands, bogs, prairie grasslands, aspen parklands and boreal forests.

The roadways and trails provide access to remote camping areas, viewing towers, fishing lakes and wildlife protected areas.

Overflowing River

Overflowing River is a small Provincial Park with a sheltered campground a half mile upriver from the NW tip of Lake Winnipegosis.

Overflowing River

The Pas

Population 5,513. The Pas and area is known as the 'Gateway to the North,' The region is comprised of three distinct communities; Town of The Pas, Opaskwayak Cree Nation and R.M. of Kelsey which collectively offer tremendous tourism and economic development opportunities.

Alternate Route 2 The northern route through The Pas to Flin Flon will take you through the Canadian Shield's unique rock landscapes and clear blue lakes then back to the NWW Highway along the paved Hanson Lake Road.

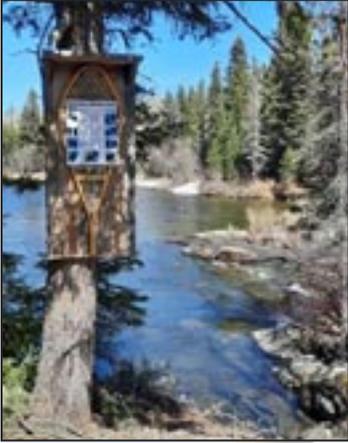

Clearwater Lake Provincial Park

30 km north of The Pas. It is said to be one of only 4 true blue lakes in the world. On a calm day you can see 35 feet down. The lake is known for excellent Lake Trout fishing.

Cranberry Portage

Once a vital travel route for Indigenous peoples and fur traders, Cranberry Portage is steeped in heritage and surrounded by natural beauty. Paddle pristine waterways, swim at sandy beaches, and hike trails just steps from our historical main street which served as a key portage in the development of Canada. Explore the Cranberry Portage Heritage Museum for a glimpse into life as it was. Visit during our vibrant Summer Artisan Markets and experience a community alive with creativity and culture. Whether you're chasing adventure or a quiet escape, this small northern town offers a big story—and a warm welcome.

Flin Flon

Founded to extract zinc from the rocky terrain it features a huge smoke stack at the now closed mine. The hard rock terrain requires sewer and water pipes to be laid on the surface. Flin Flon can boast a wide array of amenities, such as The Flin Flon Tourist Park and Campground, Baker's Narrows Provincial Park, a number of fine restaurants, nightspots, scenic

DISCOVERFLINFLONCREIGHTON.CA
THE WATER AND THE WILD

Creighton, Sk

A hidden gem awaiting your discovery! Nestled amidst rugged landscapes and shimmering lakes, this community beckons adventurers seeking history, art, and culture, alongside boundless outdoor escapades.

Whatever your adventure, Creighton welcomes you with open arms & promises an experience that will leave you yearning for more.

Hanson Lake Road

Hwy 106 is well built and paved connects NW Manitoba with north central Sask. It is known locally as the Hanson Lake Road. It is 324 km between Creighton and Smeaton. There is not many fuel services along the road, but fuel can be found at a few of the resorts. There are many small campgrounds and lots of lakes full of fish along the way.

Hudson Bay

Adventure in any season!

The Town of Hudson Bay is nestled in the Red Deer Valley, between the Porcupine and Pasquia Hills in North East Saskatchewan. The location offers magnificent scenery, unspoiled wilderness and abundant wild life. Hudson Bay is widely known for its forestry, agriculture, wildlife, outdoor recreation and snowmobiling trails. Hudson Bay is a vibrant, safe and friendly community of approximately 1,400 people that is full of lively, adventurous and scenic activities. While in our picturesque town we invite you to visit our numerous attractions. The area features a 9-hole golf course with grass greens on a slightly rolling landscape featuring tree-lined fairways that can be a challenge to any golfer. Ruby Lake, provides a lake for recreational boating, a beach, swimming area, playground, picnic sites, serviced and unserviced campsites. The Regional

Park also has camping facilities, picnic areas, a covered camp kitchen, a playground, hiking trails and rare flora. The camping area consists of serviced and unserviced camping, central RV sewage disposal, showers and washroom facilities. The Red Deer River and Fir River provide excellent conditions for kayaking, canoeing, and fishing. For winter enthusiasts, there

are 680 kilometers of groomed snowmobile trails, as well as over 10km's of walking trails suitable for all seasons. Cross-country skiing trails and a sliding hill enhance the winter experience. Additionally, Heritage Park hosts their annual Heritage Days on the 3rd Saturday of August each year, which showcases one of the largest collections of Antique John Deere Tractors in Western Canada. In June, the Red Deer Saddle Club hosts their annual Western Roundup rodeo with chuck wagon and chariot racing, gymkhana and horse show events in the show arena. For more information and accommodations check out our Town of Hudson Bay website and social media Facebook page.

Experience the untouched wilderness of Hudson Bay.

Arborfield

The Town and R.M. of Arborfield is the gateway to the Pasquia Hills – a Provincial Forest of evergreen trees with an abundance of wildlife. Enjoy fishing spots, local lakes, golf courses, snowmobile trails and more! The R.M. of Arborfield includes the Pasquia Regional Park – 9-hole golf course, outdoor heated swimming pool, long and short term camping, interpretive centre and restaurant. The Town of Arborfield offers local amenities such as curling rink, skating rink, community hall, library, Co-op grocery store, fuel, banking, insurance, and the Bryden Park

Arborfield Campground

Campground with 6 electrical sites, playground, concession and washroom facilities, and home to local baseball youth and adult baseball teams.

Pasquia Regional Park Golf Course

Carrot River

Nestled in the heart of Saskatchewan's OUTBACK, the Town of Carrot River is a hidden gem for outdoor enthusiasts. With its diverse landscape of open fields and wooded terrain, Carrot River offers year-round adventure, from exhilarating snowmobiling and quadding to scenic horseback riding trails. For those with a passion for hunting and fishing, numerous local outfitters are ready to meet your needs.

In the warmer months, Carrot River's access to lakes and river systems provides the perfect backdrop for kayaking, canoeing, and boating. Whether you're an adrenaline seeker

or looking to unwind in nature, there's something here for everyone.

Accommodations in Carrot River are as varied as the activities. Choose from the modern Carrot River Inn, offering 24 comfortable rooms, or enjoy a cozy retreat at the Carrot River Tavern or Shell's Fitness & Soul Center, which features a private cabin. For those traveling with RVs, our fully serviced, pull-through sites are ideal for a relaxing stay.

Whatever your adventure, Carrot River has you covered. To learn more about our community, visit www.carrotriver.ca.

Tobin Lake

23 km north on Hwy #255. The upper waters of Tobin Lake provide excellent fishing for all types of anglers in a safe, protected waterway accessible in all types of weather.

Love

Population 90. Known for its unique postmark of a teddy bear holding a heart. Enjoy the village campground and park with facilities. Stop by so you can say you have truly been in Love.

GATEWAY TO THE NARROW HILLS

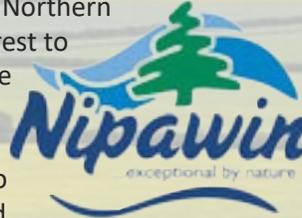

Choiceland

This small community of 381 offers a grocery store, restaurant and a hotel, a garage, post office, fuel and propane. There is a small campground on the northeast corner of town. Museum opens Wed & Sun 1-4 p.m.

Nipawin

The Town of Nipawin has long been one of Saskatchewan's secret outdoor lifestyle destinations. Located between Tobin Lake and Codette Lake on Highway 55, which connects the Manitoba Border to Meadow Lake, and on Highway 35 connecting the community to the US Border. The town is surrounded by agricultural development with easy access to the Forte a'la Corne Provincial Forest to the west and Northern Provincial Forest to the north. The immediate vicinity, particularly to the south and east, has a gentle landscape. To the north lies the parkland of Central Saskatchewan. There is no farming beyond this parkland, placing our town between fine farmland to the south

and recreation and forest to the north.

Nipawin offers world-class fishing, hunting, and golfing, with exceptional accommodations, parks, attractions, and tourism guest services for visitors to the area. Nipawin is also quickly becoming the events playground for NE Saskatchewan. Each year Nipawin is host to many major fishing tournaments, cultural events and more.

White Fox

This friendly village has a population of 464. This is northern agricultural land located on the southern edge of the boreal forest.

Smeaton

Population of 163. Midway between Nipawin and Prince Albert. Mile Zero on the Hanson Lake Road. This welcoming community has a paddling pool, grocery store, restaurant, hotel, bar, fuel and propane as well as their very own unique weather station. The Post Office has jewelery, local honey, local artists hand painted greeting cards.

Weirdale

Weirdale is a community of 50 nested on the boundary between farmland and the northern boreal forest. It offers tranquility and friendliness. It is located close to many northern lakes.

Prince Albert

Nestled between the rolling prairies and the lush boreal forest, Prince Albert serves as a gateway to some of Saskatchewan's most breathtaking landscapes. With a population of about 39,068 as of 2023, it is the province's third-largest city and a hub for commerce, culture, and outdoor adventure. Known as "Saskatchewan's Playground," Prince Albert provides residents and visitors with a unique blend of urban conveniences and natural beauty, making it a prime destination for those seeking both excitement and relaxation.

Nestled along the beautiful North Saskatchewan River, Prince Albert is a city rich in history, deeply connected to Indigenous communities, fur traders, and early settlers. You can dive into this historical significance by exploring its many charming museums and heritage sites. The Prince Albert Historical Museum, located in a lovely old firehall dating back to 1912, invites

visitors to discover the region's past through exciting exhibits featuring Indigenous artifacts, an antique fire truck, and a remarkable dugout canoe. History lovers will also want to stop by the Diefenbaker House Museum, the former home of Canada's 13th Prime Minister, John Diefenbaker, where you can step back in time to see how he lived. Plus, the Evolution of Education Museum and the Rotary Museum of

Police and Corrections offer captivating insights into the growth of education and law enforcement in the area.

Prince Albert is known as the "Heartbeat of the North" due to its strategic location and well-developed highway system, linking numerous northern communities. The city serves as a central hub for retail, sports, entertainment, and leisure. Shopping enthusiasts can explore a variety of retail experiences, from locally owned boutiques and artisan shops in Prince Albert Downtown to the diverse selections at Cornerstone Shopping Centre and 2nd Avenue West. Visitors can also enjoy an array of dining options, including specialty coffees and delicious desserts offered in the city's many cafes and restaurants.

For outdoor lovers, Prince Albert is often referred to as the "City of Parks," offering a variety of recreational spaces that cater to all ages and interests. Little Red River Park, one of the city's most visited outdoor areas, features scenic walking trails, serene picnic spots, and picturesque river views. The park is a perfect year-round destination for a summer hike or a winter cross-country skiing adventure. Campers and RV travellers can also find well-maintained campgrounds both within and just outside the city, providing an excellent retreat into nature while remaining close to urban amenities. The City also boasts the biggest inclusive playground in Canada at the Alfred Jenkins Field House.

Golf enthusiasts will find Prince Albert accommodating, with several courses spread across the city. The

Cooke Municipal Golf Course is a favourite among locals and visitors, offering lush greens, a well-maintained driving range, and a welcoming

atmosphere. Whether an experienced golfer or a beginner, the city provides ample opportunities to enjoy the sport

in a relaxed and scenic setting.

A recent addition to Prince Albert's attractions is the newly opened Lake Country Co-op Leisure Centre. Designed to be accessible and inclusive, this modern facility features a competitive pool, a leisure pool with splash and wave elements, a lazy river, water slides, and a whirlpool, making it a family-friendly destination for recreation and relaxation.

Prince Albert is a dynamic city that seamlessly blends history, nature, and

modern amenities, offering a welcoming atmosphere for both residents and visitors. Whether exploring its rich heritage, enjoying outdoor adventures, shopping, or indulging in leisure activities, Prince Albert ensures a memorable experience for all who visit. Whether planning a weekend getaway or an extended stay, this vibrant city stands ready to impress and inspire.

Visit Prince Albert!

Cold Lake Encounter the Unexpected

From the clear blue waters of Cold Lake, nestled against white, sandy beaches, to the surrounding rugged wilderness, a sense of adventure encompasses the City's four-season playground.

Come and explore more than 400 square kilometres of water on Alberta's seventh largest lake, and enjoy the beauty of the Cold Lake Marina. As a year-round recreation area, Cold Lake is the ideal vacation spot for water enthusiasts, fishermen, outdoorsmen, hunters, skiers, and those just seeking a unique get-away experience.

Cold Lake offers a wide variety of commercial, cultural, domestic and recreational opportunities for everyone's interests. The City has grown to become a retail centre of northeast Alberta, while keeping its warm, rural roots.

On Canada Day, the City of Cold Lake celebrates with an annual parade and several activities, followed by a spectacular fireworks show later in the evening from the Cold Lake Marina. Mirrored against Cold Lake, and whether you are viewing it from the land or the water, this is a display that should not be missed.

Each year on the August long weekend, the City of Cold Lake hosts Aqua Days at Kinosoo Beach.

This is an event with plenty of activities for the whole family. Enter a cardboard boat in the annual race, cool off at the splash park, take in some entertainment at the beach, or just sit back, relax and enjoy the natural beauty Kinosoo Beach offers. Be sure you don't miss the fireworks down at the Cold Lake Marina afterward!

The Cold Lake Energy Centre is the hub of activity in the City of Cold Lake. This state-of-the-art facility is designed to host sporting events, concerts, trade

shows, conferences, and more! The City's two large facilities, the Imperial Oil Place Arena and the Reid Field House, have a capacity of 3,030 and 1,397 people respectively, providing flexibility for a variety of events. The Mach 1 Skate Park is a recent addition, giving a place to board or bike and show off your moves. Check out the concrete bowl and the different styles of ramps, providing

skaters and bikers a range of obstacles and surfaces to practice on – everything from beginner to advanced.

Young families can visit the City's modern FCSS and Parent Link Centre building, and spend time taking part in a variety of activities and games that are scheduled throughout the year. An updated schedule of programs can be found online. After stopping by, head north for a walk along the lakeside or through the Provincial Park.

For the avid golfer, the Cold Lake Golf & Winter Club provides a beautiful setting of 18 holes, nestled just off Veteran's Drive on 4 Wing Cold Lake. The course offers the chance to spot foxes, deer, moose, and bears. There is a full-service lounge and restaurant on location. In the winter, the course becomes a winter playground for cross-country skiers and snowshoers. Its six curling sheets play home to the Cold Lake Curling Club, and other local leagues.

Keep your eye on the sky while visiting, as you may get a chance to see military personnel practice their flight manoeuvres over the City of Cold Lake. Be sure to stop by the jets on display on Veteran's Drive, heading out to 4 Wing.

For more information on upcoming events in the City of Cold Lake, visit www.coldlake.com, or follow the City of Cold Lake on Facebook and Twitter.

Lac La Biche

Discover Lac La Biche County

Midway between Edmonton and Fort McMurray, Lac La Biche County is a historic and diverse community that traces its roots back to the days of the fur trade. In fact, the hamlet of Lac La Biche began as a Hudson's Bay Company fort in 1799, making it the second-oldest permanent settlement in Alberta.

The same qualities that made the region attractive in the olden days still apply in modern times. Lac La Biche County is famous for its many lakes. The community's namesake, Lac La Biche Lake, is a French translation of a Cree phrase meaning "Lake of the Elk."

There are more than 150 lakes within Lac La Biche County's borders, as well as many rivers and vast stretches of boreal forest that combine to create a naturally beautiful region.

Lac La Biche County is a haven for outdoor recreation enthusiasts. The many lakes are accessible for fishing, swimming and boating, and there are dozens of recreation areas and trails nearby. The County covers 16,000 square kilometres—and much of it is

pristine natural environment, ideal for hiking, riding and camping. Visitors can explore the islands of Sir Winston Churchill Provincial Park, paddle the backcountry canoe circuit in Lakeland Provincial Park, or watch wildlife, lounge on a beach or glimpse the Northern Lights anywhere in between.

Lac La Biche County has two distinct urban centres—the hamlets of Lac La Biche and Plamondon and many smaller hamlets and subdivisions. Plamondon has a strong francophone heritage, and each area of the County has its own special character. The community prides itself on cultural diversity. Home to Indigenous people since time immemorial, the region has brought together a wealth of ethnic and cultural groups, anchored by Cree, French, Lebanese, Métis, Russian, Italian and Ukrainian populations.

Today, Lac La Biche County shares borders and close ties with two First Nations and two Métis Settlements.

This rich heritage is preserved in a number of museums and cultural attractions, and showcased with annual events like Lakeland County Fair in August. In keeping with our motto of "Welcoming by nature," Lac La Biche County has strong community spirit that it loves to show off. We invite you to visit us and find out what Lac La Biche County has to offer.

Lac La Biche Mission Historical Site

Grassland

The refuel and snack stop for people coming and going to Fort McMurray on Hwy 63.

Athabasca

Population 2,965. The name Athabasca derives from the Cree word "Athepecow" meaning a place of reeds and hay. Athabasca was founded by the Hudson Bay Company in 1874. Recreation opportunities include an 18 hole golf course, camping, fishing, hunting, boating, an indoor pool, as well as well developed nature hiking trails. The Athabasca River is utilized for canoeing and river boating.

Slave Lake

Population 6,782. Slave Lake offers everything you need as well as an excellent choice of summer entertainment; hiking, camping, sailing, boating, wind surfing, mountain biking, water skiing, swimming, golfing, live theatre, interpretive trails, and of course fishing for walleye, grayling and northern pike. Experience Riverboat Daze, or the Provincial Sand Castle Championship.

Lesser Slave Lake

Largest rubber tire accessible lake in Alberta is 87 km long with lots of access for water sports, boating and excellent fishing. There are numerous hamlets along the shores, many with boat launches and marinas. Besides

the private campgrounds there are also provincial campgrounds in the area.

First Nations

On Hwy 2 between Slave Lake and High Prairie here are 3 First Nations Reserves: Driftpile, Sucker Creek, Kapawe'no. They host very colourful powwows periodically.

waterslide ensures everyone has something they enjoy! Centrally located in the Museum, the Visitor Information Center has all of the information you will need to plan your stay. High Prairie has two spacious RV parks that offer full hook ups, showers and tenting.

High Prairie, let us take you there!

McLennan

Population 701. The Bird Capital of Canada with the Kimitan Birdwalk located adjacent to the Hwy. Home of the founder of the NWW highway, George Stephenson, recognized by a cairn.

Donnelly

Population 342. The Village is part of the francophone culture of the area. Located at the junction of Hwy 2 and 49. Artistic back of street signs painted by local artists.

Alternate Route If you are pressed for time there is a shortcut between Donnelly and Rycroft, BUT you will miss out on two scenic vistas created by the Peace River valley, 1st at Peace River - 2nd at Historic Dunvegan.

Falher

Known as the "Honey Capital of Canada", Falher is centrally located in a region producing up to 2 million kilograms of honey annually. Here you will see the World's Largest Bee. Stay at the Falher Municipal Campground.

Girouxville

A French Canadian community. A memorable museum with over 4,000 exhibits and articles recalling first nations life, missionary work, pioneering and trapping, early machinery and equipment.

Eglesham

Located 8 kilometres north of the Highway 49. Lakeside Golf and Country Club, a 9 hole golf course with a campground.

Wanham

A plowing competition is hosted each year with horses and tractors competing. Held the 3rd weekend of June it has expanded to include bull riding, tractor pulls.

Northern Sunrise County

Northern Sunrise County invites you to come experience the natural beauty of the Peace region. Visitors will enjoy the rich culture and variety of natural amenities. The area has activities taking place year round that are sure to have you coming back for more!

Nampa

Population 362 Located 27 km. south of Peace River. Memorial Park has a children's playground and overnight camping. There is a 9 hole golf course located just north of town. Stop at the museum and tourist booth.

Peace River

Population 6,842. Is the northernmost point on the NWW highway. Twelve Foot Davis' grave marker is on a hill overlooking the town, a terrific view of the river valley can be had from there. Hear the roar of the jet boat races in early July.

Grimshaw

Is Mile Zero of the Mackenzie Highway #35, extending some 600 kms north to the Northwest Territories. Queen Elizabeth Prov. Park and Lac Cardinal are located approx. 8 km NW of town. There are two more campgrounds within town and 2 miles north. Population 2,718.

MD of Peace

A 'must see' in the MD is Shaftesbury Trail, a scenic journey through the Peace River hills, following a series of historic viewpoints telling the history of Missions and explorer and fur trader Alexander Mackenzie. Ride the Shaftesbury ferry across the Peace River for a unique Peace Country experience.

Shaftesbury Ferry

Berwyn

Population 526. Recreational facilities at Tower Park provides 8 camping sites (no fee) and trailer dumping facilities, municipal water supply, bird watching habitat. The Village boasts of its fresh pure water.

Historic Dunvegan

On the north side of the suspension bridge is the Dunvegan Museum that brings history to life. Dunvegan campground next door provides 65 electric camping sites, trailer dumping facilities, water supply.

Also located next door is Dunvegan Gardens, a greenhouse and garden centre which has vegetables and fruits in season.

Rycroft

"Hub of the Peace", a community of 638 persons located at the junction of Hwys 2. & 49. The campground at Nardam Lake has stocked rainbow trout fishing.

Fairview

Population 3,162.

Located at the junction of highways #2 and #64. The community has an excellent nine hole golf course with water hazards, a driving range and practice greens. There is a campground in town and several located nearby.

Fairview Golf Course

Log church at Historic Dunvegan

The absolute best 9 hole golfing facility in the Peace country. Known for it's great condition and fantastic food and beverages.

Phone (780) 835-2844

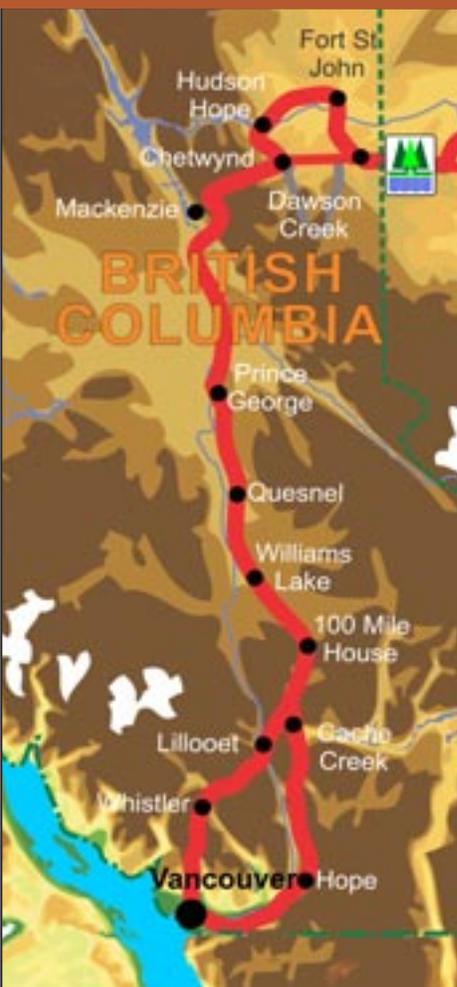

Spirit River

West on Hwy 49. A busy community that has a municipal campground with 22 full service sites and a tourist information booth. Population 995.

Baytree

A farming community with a great country general store, located 8 km from the B.C. border.

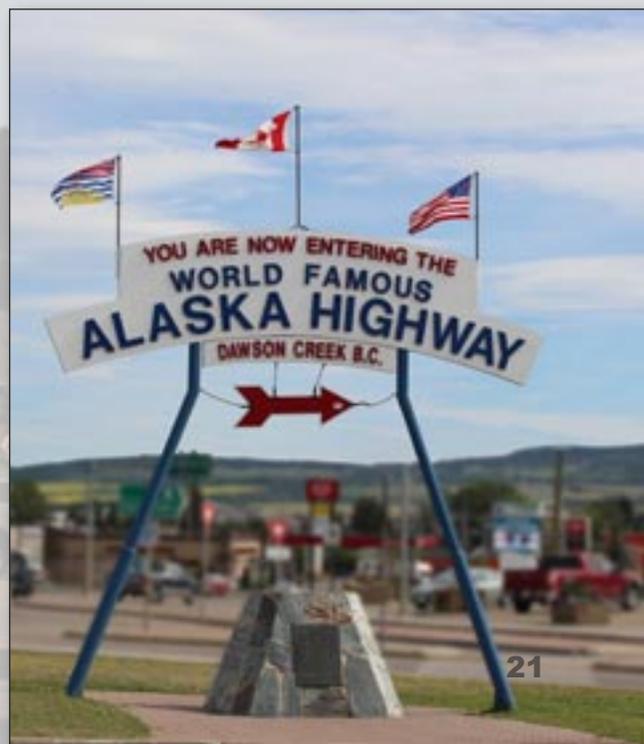

Dawson Creek

Population 12,978. Mile 0 of the World-Famous Alaska Highway Visitor Centre to stock up on information and souvenirs. Located adjacent to the Visitor Centre, the train station museum is full of rich history of the region and the Alaska Highway. Stop downtown and get pictures at the Mile 0 Post.

The Alaska Highway

Hastily constructed during World War 2, the originally highway was 1,700 miles long. There were historic milepost markers that identified the distance from Dawson Creek to the specific location. Some of these were recorded on the Mile Zero Post in Dawson Creek. Over time the once rugged highway has been straightened and paved which has shortened its length to 1,387 miles. 2022 marked the 80th Anniversary of its completion.

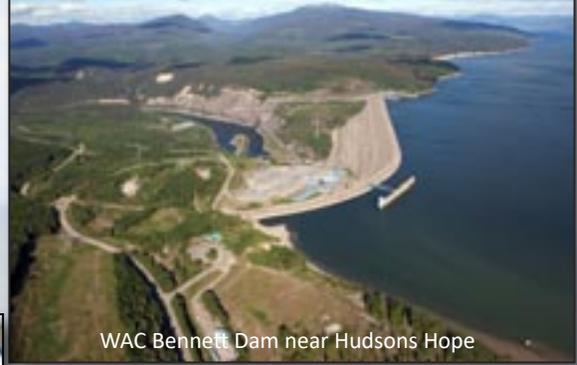

Taylor

Situated 56kms (35 mi) north of Dawson Creek on the banks of the Peace River, Taylor prides itself as a quickly growing business-friendly community, but at 1469 people, it still offers small-town charm. Originally settled by farmers drawn to its fertile soils (including D.H. "Herbie" Taylor, for whom the town was named), Taylor's fortunes are now tied to the oil and gas, lumber and pulp industries. Awaiting visitors are Motels, restaurants and campgrounds including Peace Island Park featuring Rocky Mountain Historic Forts, which hosts the World's Invitational Gold Panning Championship held each August long weekend. Taylor also boasts an 18-hole golf course, Lone Wolf, declared the "Best Manicured course in Northern BC".

Fort St John

Population 20,155. This is a young community growing with forestry as well as oil & gas related industries.

WAC Bennett Dam near Hudson's Hope

Hudson's Hope

Population 1,012. Located midway between Fort St. John and Chetwynd. Hydro country with the WAC Bennett Dam, and the Peace Canyon Dam. Slogan is "Playground of the Peace". Watch for Bald Eagles.

Hydro Power

The Peace River over the past 50 years has been harnessed to generate electricity starting with the WAC Bennett Dam outside of Hudson's Hope that created the huge Williston Lake. It was followed just down stream with the smaller Peace Canyon Dam and a third presently called the Site C dam is now under construction just upstream from Taylor. This project can be viewed from north of Fort St. John south on 269 Road, signs are on the Highway. This dam has taken over 7 years to complete and is now starting to hold back water to fill.

"This visit was well worth the trip up here. We appreciated the visual displays and the wealth of information contained in the tour."

W.A.C. Bennett Dam

Enjoy the spectacular view from the W.A.C. Bennett Dam Visitors Centre

Explore our interactive exhibits and films that showcase dam construction, local wildlife and turning water into clean electricity. While visiting, stop by our café for a snack and browse our giftshop.

Your visit also includes access to the "Our Story, Our Voice" First Nations gallery and optional guided tour. Visit bchydro.com/bennett for details on our 2025 season dates and admission fees.

Side Trip If you are pressed for time there is a shortcut between Dawson Creek and Chetwynd. But if you have time to experience the unique community of Tumbler Ridge.

Wild River

Tumbler Ridge

Tumbler Ridge is the home of the Tumbler Ridge UNESCO Global Geopark! Tumbler Ridge is a dream destination for the outdoor enthusiast. Made up of waterfalls, unique rock formations, alpine meadows and lakes, canyons, mountain summits, caves and more to discover!

Chetwynd

Population 2,503. Chetwynd is located in the foothills of the eastern slope of the Rocky Mountains. The surrounding area contains mountains for hiking and skiing, lakes and rivers for swimming, canoeing and fishing, and a countryside and park system that produces some of the best camping, snowmobiling, hunting, and wildlife spotting in Canada. The region has a diverse history, ranging from 90 million year old dinosaur tracks to the world famous World War II era Alaska Highway. The area contains hundreds of years of First Nations history and a century of European homestead

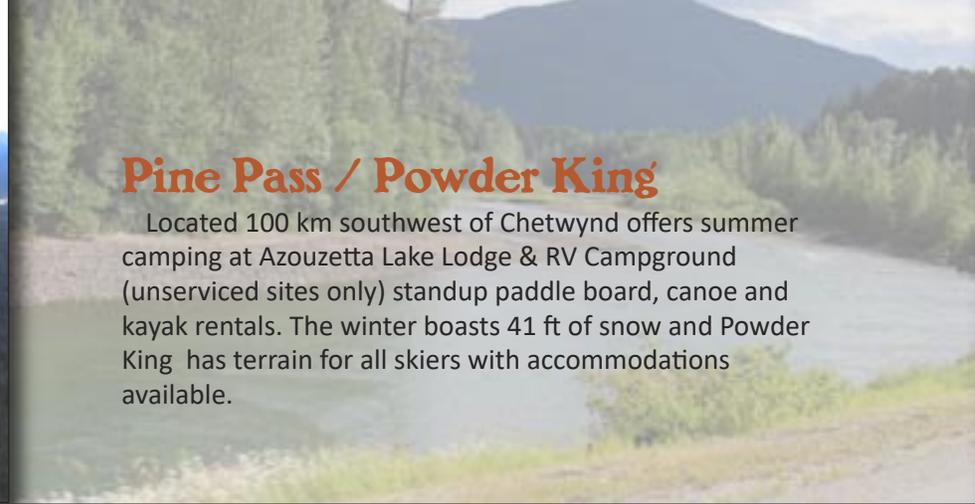

history. Thousands flock each year to the Chetwynd International Chainsaw Competition. Chetwynd is known worldwide for its fantastic collection of chainsaw carvings. The annual competition has visually shaped Chetwynd into a one-of-a-kind locale. Artists from all over the world compete in this unique competition. The District of Chetwynd keeps each intricately carved piece from the championship and places them throughout town. The collection includes more than 150 beautiful pieces, with new sculptures added each year. Pickup a free brochure from the Visitor Centre and take a self-

guided tour of the carvings.

The Little Prairie Heritage Museum located just south of the community features the family life and rich history of the area. The original General Store houses unique collections from early settlers. The front room was once the retail shop with the living quarters of the proprietor in the rest of the house.

Outside among the several gardens and picnic tables is the BC Rail car with interesting collections of railway memorabilia and local fossils. A trapper's cabin features trapping and hunting gear used in the territory though the many years. A popular location for weddings and photographers, Little Prairie Museum is also a pleasant stop for travellers.

Pine Pass / Powder King

Located 100 km southwest of Chetwynd offers summer camping at Azouzetta Lake Lodge & RV Campground (unserviced sites only) standup paddle board, canoe and kayak rentals. The winter boasts 41 ft of snow and Powder King has terrain for all skiers with accommodations available.

Enjoy a Golf Vacation

Experience the beauty of the Northern Woods and Water Highway as you travel between courses.

Play different courses each day as you explore. Well kept courses that welcome walk-ons and affordable rates compared to larger urban courses.

Travel on your own or join an organized tour: email: info@nwwr.ca

Watch the Northern Woods & Water Highway Association website for updated information. www.nwwr.ca
